

Got Camp?

Baldpate Nature Camp will be held at Baldpate Mountain in Titusville, near Route 29. This camp is open to children entering grades 1 through 6.

Baldpate Nature Camp is designed to enhance children's natural affinity for the great outdoors. Hands-on nature explorations, hikes through the forest, and unstructured nature play create the foundation for each camp week. Daily themes vary and can include arthropods, forest ecology, wildlife detectives, birds and animal tracking.

All campers will create a *Baldpate Nature Guide* t-shirt to bring home.
